Penthouse for sale Andratx Puerto, in a unique location with views to the open sea, the port and La Mola. The 50m² terrace with a small kitchen and BBQ offers sun the whole day and gives you absolute privacy. It was completely renovated 2005, with tiled floors, new windows, air conditioning hot / cold, wonderful bathroom with shower etc. The apartment is like a little hideaway not only because of its cosy living area but also because of the huge bedroom with more space for an office and also direct access to the terrace. Furthermore, there is a little storage in the apartment. The community consists of 4 buildings and all together 20 apartments sharing a huge pool area with great views. An outside parking space is included in the price.
